Thanks to the following who made the meeting possible:-

- Ray Morgan & Jackie Maull for setting up and taking down the course
(They probably walked a longer distance than any athlete ran !!)
- Bob Mee for the handicaps
(With a total of only 27 seconds between the first and second in the three races
it proves how accurate they are)
- Alan Edwards for officiating
- Alex Montgomery for registration
- Richard Barr, Jeremy Eastaugh & Chris Jackson for marshalling
